

Fysio does not provide medical advice, diagnosis or treatment.

We hope that you enjoy the content and information provided by Fysio on its websites and mobile applications. Please be advised that any **content posted on, created for, or compiled by Fysio is an informational/educational service only and is not intended or designed to replace a physician's independent judgment about any symptom, condition or the appropriateness or risks of a procedure or treatment for a given person.**

Content on Fysio is **not** a substitute for professional medical advice, diagnosis or treatment, and you should:

- Seek the advice of your physician or your other qualified healthcare provider whenever you have a question about a medical condition or symptom;
- Never delay seeking this advice or disregard professional medical advice because of something that you may have read or seen on Fysio; and
- Call your doctor or 911 immediately if you think you may have a medical emergency.

YOU AGREE NOT TO USE FYSIO FOR MEDICAL ADVICE, DIAGNOSIS OR TREATMENT. The choices you make about your health are, and always will be, your own choices. You also acknowledge and agree that use of Fysio does not create a physician-patient (or similar) relationship.

This Notice is part of and expressly incorporated into Fysio's Terms of Use and its Privacy Policy. These documents constitute a legally valid, binding and enforceable agreement. If you do not unequivocally consent to the terms, conditions, restrictions and requirements set forth herein, please do not use Fysio.
